Sale at Benson Livestock Sales Pavilion

Sale Starts Promptly at 12:30 P.M.

ALBERT J. HAMANN, SALE MANAGER

ROCK RAPIDS, IOWA 51246

(Cover Photo: Kelburn Great Event, one of great sires of all time,
and sire of Remitall Umpire that sells.)

General Information

TIME—Tuesday, Oct. 15, 1968. Sale starts promptly at 12:30 P.M.

LOCATION—The sale will be held at Benson Livestock Sales located on Highway 9, 1½ mile West of Benson, Minn.

TERMS—The terms of this sale are cash unless other arrangements are made in advance with the seller Oscar Hanson, and the sale manager is notified of the arrangements. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at the buyer's risk as soon as bid off.

GUARANTEE—All cattle sold in this sale will be sold under the Standard Guarantee endorsed by the American Shorthorn Association.

LIABILITY—Each transaction in this sale will constitute a contract between the buyer and seller of each lot. The auctioneers, clerk and sale manager have been employed by the seller for specific tasks not connected with the handling of the cattle or the condition of the premises and they accept no liability, legal or otherwise for the buying contract or for any accident. Every effort will be provided for the safety for those attending this sale but the seller cannot accept liability for injuries that may occur. All persons attend this sale at their own risk.

Statements from the block will take precedence over information given in the catalog.

HEALTH—All cattle will be sold according to the health regulations of the State of Minnesota. Buyers must be aware of any variations between the laws of Minnesota and their own states. Interstate health certificates will be furnished.

CERTIFICATES OF REGISTRY—Certificates of registry with transfers entered and recorded in the buyer's name will be furnished for each lot sold and for every calf at foot. An application will be furnished for every calf carried in dam. (Exception, pedigrees will be furnished for bull calves at foot only upon request.)

Where footnotes appear in this catalog they were furnished by the seller or written from information supplied by the seller.

VETERINARIAN—Dr. Chris Nissen, Appleton, Minn.

AUCTIONEER—Dick Kane, Wisner, Nebr.

SALE MANAGER—Albert J. Hamann, Rock Rapids, Iowa.

PERSONNEL—Ted Aegerter, American Shorthorn Assn., Seward, Nebraska; Col. Clarence Brown, Appleton, Minn.; and Benson Livestock Sales personnel.

MAIL BIDDERS—Those unable to attend who desire to buy may contact any of the above men all of whom will be in attendance. Late bids on sale day can be phoned to the Sale Manager who can be reached at the Benson Livestock Sales, Benson, Minn.

RESERVATIONS—Lodging may be obtained at 2 motels and 2 hotels in Benson, Minn.

HERD INSPECTION—The cattle will be moved to the sale pavilion 2 days before the sale. Those who arrive prior to that are welcome to inspect the cattle at Oscar Hanson farm located 9 miles North and $\frac{3}{4}$ mile West of Appleton, Minn.

BREEDING DATES—Announcements from the auction block on sale day regarding breeding dates are final and will take precedence over data in the catalog.

LUNCH—The Minnesota Shorthorn Lassies will have a lunch stand in the pavilion.

FURTHER INFORMATION—For those wishing further information prior to the sale, either contact the owner, Oscar Hanson, Phone Correll, Minn. or the sale manager, Albert J. Hamann, Rock Rapids, Iowa, Phone Area Code 712 472-3676.

OSCAR HANSON started in the Shorthorn business with a definite idea of the kind of Shorthorns he wanted to produce. To observe his herd in it's present state is proof that he carried out this idea to the letter.

This is a solid, sound herd of cattle, all regular producers, good milkers, very uniform, of good breeding and having that extra size and scale with quality that is a must in good beef cattle today.

It is unfortunate that ill health makes it necessary for him to sell this good, modern, up-to-date herd when it is just reaching it's prime. However, since he is retaining eleven yearling heifers, we sincerely hope that with return of good health this herd will again expand and be one of the good herds.

This is a good, practical, working herd as all the big husky calves at foot will verify.

Remitall Umpire, the herd bull selling, is a sale attraction and a real opportunity to buy a proven sire of reputation breeding. The fine brood cows with the big quality calves at foot and rebred cannot help but be profitable investments.

We would like to see everyone interested in good Shorthorns attend this sale and give this sincere Shorthorn booster the kind of sale he deserves.

It will be a pleasure to meet you all on October 15 at Benson.

ALBERT J. HAMANN, SALE MANAGER

WELCOME TO OUR NEAR DISPERSION SALE—

Ten years ago we started in the Shorthorn business with the aim of developing a herd of practical Shorthorns that had size, scale, and productivity with rugged constitutions yet maintaining quality.

To do this, we purchased a dozen of the kind of cows we had in mind from such herds as the University of Minnesota, Braebourne Farms, Circle L Ranch and Bennett Camery. Then we purchased the top selling bull at a Sioux Empire sale for a herd sire.

We were fortunate that these matings produced the kind of cattle we wanted. So we retained all the best heifers. Many of our calves sold for club calves and they made a good record, including several champions over all breeds. Last fall we had the top selling group of calves at the Minnesota State Calf Sale.

In 1966 we purchased the prize winning Remitall Umpire by the famous Kelburn Great Event in the Canadian International Bull Sale. We now have two crops of calves by him and they are all we expected them to be.

Last year I was incapacitated for a considerable time with a siege of hepatitis from which I have not fully recovered. It is necessary to cut down on my farming and livestock operation for the time being.

Therefore, it is with regret that I decided to sell my entire herd with the exception of eleven yearling heifers, with which I hope to re-establish the herd if health permits.

The herd bull and all the productive brood cows sell. The health and productivity of the herd is excellent and I have no reservations about recommending them to anyone and know they will do as well for their new owners as they have done for me. Further, I sincerely believe they are the kind of cattle in demand today because they have above average size, scale and trimness.

We shall look forward to meeting you in person on October 15.

OSCAR HANSON

REMITALL UMPIRE

An unretouched amateur snapshot taken on pasture at under 2 years old while running with a herd of 40 cows during breeding season. Note his size and ideal modern conformation.

REMITALL UMPIRE — This proven 4-year-old herd sire is definitely an attraction in this sale. Purchased in the 1966 Canadian International Bull Sale where he placed third in the same class that produced both the champion and reserve champion of the show who placed first and second ahead of him. He has great size and scale with good bone that he transmits to his offspring as shown by the two crops of calves he has sired to date. He is sired by the famous Kelburn Great Event acknowledged as one of the greatest sires the breed has ever known. Thus, Remitall Umpire is a half brother to three record top bulls that sold for \$8600, \$8100, and \$8000, respectively, and many other prominent herd sires in the country today. His dam is a big roomy cow by Imp. Glamis Prince Paul, a many times champion on the major Western Canadian show circuit and a grand daughter of the noted Kinsman on the dam's side. To prove his worth as a sire, Remitall Umpire is the sire of 6 yearling bulls, 2 yearling heifers, and 22 calves at foot in this sale, all of which have real size, scale and quality with good heads. Also 30 females selling are safe in calf to him. Here is a real opportunity to buy a proven sire, just in his prime that is the modern kind, is sound and a sure breeder.

BELLE'S BEAUTY 4th — Another really outstanding heifer from the first crop sired by Remitall Umpire that has been dehorned. These daughters of Remitall Umpire are hard to part with. She sells pasture bred after July 27 to Westwood Casino and should produce a great calf.

Standard Guarantee

Recommended by American Shorthorn Association

- A. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
- B. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
- C. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age, shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
- D. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of a freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
- E. In the event an animal is returned by the buyer to the seller as a non-breeder the buyer must furnish to the seller a veterinarian's certificate showing that his herd is healthy if such a certificate is required by the seller.
- F. All animals catalogued have been tested for T. B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.
- G. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females showing names and record numbers of sire and dam, as well as service date.
- H. All prospective buyers should check health requirements of their states. Health certificates will be provided with each lot sold.
